Guidelines

- (i) The minimum entitlement of APL wheat may be fixed at 10 Kg per card per month for both Urban and Rural APL card holders.
- (ii) While making the intra-district allocation of APL wheat Collectors will take into account the demand for APL wheat so that the APL Wheat is supplied to genuine consumers and there is no diversion of wheat to black market.
- (iii) Per family entitlement of APL wheat will not be reduced below the prescribed minimum allotment. If any F.P.S's report that APL wheat allocation is inadequate for supply to all consumers who approach the F.P.S., a 100% verification of sale will be conducted by the Inspector of Supplies along with the RLAC Chairman and referred to Collector for additional allocation.
- (iv) The distribution of APL Wheat may be taken up on fixed distribution days during which all the dealers will keep their shops open and keep sufficient stock for the Consumers. In view of the above, APL wheat may be distributed on eight fixed distribution days namely, 11th, 12th, 13th, 14th, 26th, 27th, 28th & 29th day of every month.
- (v) Undistributed allotment of wheat will be added on to the allotment of next month and Collector may enhance the per capita entitlement for families on a monthly basis for full utilization of quota within the district.
- (vi) Certificate of RLAC will be obtained on the proper distribution of APL wheat every month and submitted to the C.S.O. with counter signature of Inspector of Supplies.

In case the allocation is not required by any district the same may be surrendered at the earliest to enable its re-allocation and utilization elsewhere.

Yours faithfully,

29/09/2011
Additional Secretary to Government.
